

Child Physical Abuse and Neglect Investigations: The Basics

Who should attend: DSS staff and attorneys, law enforcement officers, prosecutors, guardian's ad litem, children's advocacy center professionals, child abuse medical professionals

Overview: This training focuses on the basics of child physical abuse and neglect investigations with an emphasis on multidisciplinary coordination. The training will begin with a focus on understanding the prevalence of child abuse and neglect, recognizing red flags and risk factors, distinguishing between inflicted and accidental injuries, the emergency protective custody process, and interviewing. In the interviewing segment of the training, we will begin with a review of general techniques of interviewing and then broaden the discussion to include all individuals that need to be interviewed and the questions that should be asked in a comprehensive investigation. The training will also cover proper documentation and evidence collection and include a discussion of applicable definitions of abuse and neglect and criminal laws.

Date and Times: October 13, 2026 (8:45 am – 4:15 pm)
