

PGY1 PHARMACY RESIDENCY PROGRAM

AMBULATORY CARE FOCUS

College of Pharmacy
UNIVERSITY OF SOUTH CAROLINA

About Us

Tandem Health is a Federally Qualified Health Center (FQHC) and accredited patient-centered medical home (PCMH). Our services include adult medicine, family medicine, pediatric medicine, behavioral health, OB/GYN, immunology, community/outpatient pharmacies and a family medicine residency program.

The **University of South Carolina College of Pharmacy** is located in the heart of USC's Columbia campus, one block from the student union, university library and historic Horseshoe. Our partnership allows residents to experience teaching, precepting, research and mentoring as a means of giving back to the profession.

About Sumter, SC

Sumter is located right in the heart of South Carolina, approximately 40 miles from our state capital, Columbia. Residents have the best of both worlds as they are tucked between the beaches, the mountains, and nearby lakes. The rapidly growing downtown area includes amazing local restaurants and a brewery.

Sumter is home to Shaw Air Force Base and is recognized for its cultural and recreational opportunities, including Swan Lake Iris Gardens and various historical sites.
